

Energy Trader Graduate Position

Location: Baggot Street, Dublin 2

Contact by Email Only: enquiries@cenergise.com

Deadline for application: 17th Feb 2023

Start Date: July 2023

Company Overview

Cenergise is an Irish energy trading company operating in the European power markets. Cenergise is currently registered in the following markets: Ireland, Great Britain, France, the Netherlands and Belgium. Cenergise has three divisions to its business: proprietary trading, client trading and supply.

The Position

Cenergise is seeking to hire a Graduate Energy Trader.

This role will provide training on trading in the Irish and European electricity markets. On successful competition of the training, the candidate will join the shift trading rota to trade in the live electricity markets.

The role will also involve analysing data which will feed into the development of trading strategies and automation of these strategies.

Job Requirements:

- Primary degree in Computer Science/Maths/Engineering/Economics
- Excellent knowledge of programming, structuring code and databases
- Excellent knowledge of Excel
- Strong work ethic
- Good attention to detail
- Ability to work to tight deadlines
- Comfortable working with large volumes of data in a structured environment
- Self-starter
- Strong interpersonal and communication skills
- Excellent problem solving and analytical skills

Benefits

We offer a competitive salary with excellent career development prospects.
